Senior Class History

The first day of our Freshman year will be remembered for a long time. We started out the year having a class of twenty-four "scared freshmen." Soon after the opening day, initiation came into effect. The girls were made to wear overalls and shirts turned inside out and backwards. We had no makeup on our faces, and no pins in our hair. The boys wore dresses, and some wore hair ribbons. After the school had seen us that way, we put on a "Sadie Hawkins Race."

We elected the class officers which was new to all of us. Our class advisor was Miss Simpson. President, Jack McNeilly; Vice-President, Charlie Lewis; Secretary, Gayle Bane; Treasurer, Bud Hudson.

During our Freshmen year, we had many good times. We had several parties, which always created lots of excitement. Our Freshmen year we had two new members come into our class. They were Donald Gibbens and Clara Bruehl. We were very glad to have them because then we had the largest class in the school.

After our summer vacation was over, we came back to school to start our Sophomore year. This year we had twenty-three members. Edith Hill and Harvey Reynolds left us.

Our officers this year were: Dick Evans, President; Charlie Lewis, Vice-President; Gayle Bane, Secretary; and Jack McNeilly, Treasurer. Our class advisor was Miss Skibinski. For one semester we had a new member, Robert Robinson.

From our class four boys played baseball and basketball. They were: Dick Evans, Jack McNeilly, Charlie Lewis, and Dwane Pruitt. These four boys played in the Tri-Valley Freshmen-Sophomore Tournament in which Saybrook won first place.

During our Junior year we welcomed a new member to the Junior Class, Floyd Fasking, and we wished Dorothy Fear Lewis much luck in her new life.

We ordered our class rings in the early fall and received our rings in January, and we are very proud of them. Some of the Juniors got them with sets.

Our carnival was a big success. We cleared over two hundred dollars. Everybody had something to do and was kept busy. Of, course, we were all relieved when it was over.

The Junior and Senior Banquet was on May 9. The theme for the banquet was an Indian theme. We had two tents separating the dining rooms and the dancing floor. The tables were decorated with tents as place cards, and the menus were kept with the Indian theme. The Freshmen girls served and they were dressed like Indians.

The Juniors had several parties and we hope to have many more in our Senior year. We were sorry to lose our sponsor, Mr. Leigh, who made a very excellent one.

This year our President was Jack McNeilly; Vice-President, Dick Evans; Secretary, Betty Thom; Treasurer, Dorothy Fear, first half, Charley Lewis, second half.

We all passed to our Senior year with Miss Harper as our advisor. The President was Gayle Bane; Vice-President, Betty Thom; Secretary, Loren Sears; and Treasurer, Lorraine Kammermann.

We had our pictures taken by Fine Arts in Paxton. The proofs came back and we were all very happy over them. We received them before Christmas and I imagine many people received them as Christmas gifts.

The class play "Young April" was ordered. It is a comedy. The play was given the 29th of April.

The caps and gowns have been ordered. We are all wearing white ones with red and white tassels on the caps. We have waited for four long years to wear these and now the time grows near. It seems impossible but even so, everyone seems to be happy. We will graduate May 26th, and it will be the happiest day of our lives.

CLASS MOTTO: Aim ever at the best.
CLASS COLORS: Green and White
CLASS FLOWER: American Beauty Rose.

The Junior class this year sponsored the all school carnival again for the purpose of raising money for the Junior and Senior year. The main expense is to provide money for the Junior-Senior banquet. This year the banquet was held at the University of Illinois Student Union Building which will provide a lot of activities for the evening's program. Some of the most popular being dancing, bowling, ping pong, and listening to good music.

The carnival was presented October 23 and all records were broken for net profit received from the carnival. The crowning of the queen was probably the biggest event of the evening. Jean List, the representative from the Junior class, was crowned queen of Saybrook High School for the current year.

The school paper, better known as the "Spotlight," was published every six weeks, at least we tried our best to get it out that often.

The paper was sent to all the surrounding schools and to all the students of S. C. H. S., and also the Alumni.

We wish to thank everyone for their fine co-operation they have shown this year in order to make the "Spotlight" a success.

We hope it will become a bigger and better paper in years to come.

TOTEM NEWS

The Totem Staff was organized by the teachers and the students for 1947-48. Work soon began to take place and everyone worked hard.

Lorraine Kammermann was chosen as Editor again this year. She is doing a splendid job keeping everyone busy. Mrs. Anderson was our advisor.

The Seniors were dismissed from school to secure advertisements from surrounding towns, Saybrook, Bellflower, Gibson, Colfax, LeRoy, Farmer City, and Bloomington. Because of the many ads received, our yearbook was thus cut down to a smaller price.

Fine Arts took the group pictures and the Senior pictures. They did a fine job and every one seemed to be well pleased—not because they put some of the pictures in the studio window, either.

Orders for approximately 85 books have been turned in so far and we expect many more to come in yet. This is due to a large amount of work from the students.

We believe we have a successful yearbook for 1947-48. We would like to thank everyone who was responsible for making it successful.

Mr. Anderson, our advisor, and a great helper, is very capable and helped us to plan the various activities.

It seemed as there were so many activities going on that we didn't get to have our supper this year but we did attend the activities so every one is very well pleased.

HIGHLIGHTS FROM F. H. A.

This year the Saybrook chapter of F. H. A. initiated five Freshmen girls into our club; making the enrollment twenty-seven. The girls that were initiated were to wear men's pants and hats, loose shirts, one high-heel shoe, and one low-heel shoe, one anklet, and one long stocking. They were to wear them to school one day.

Our first social event started with a weiner roast. The second was a dance held at Pfoff's Cafe. In October the club had a hay ride.

During the halves of the Mansfield basketball game, which was here, we had a cake walk to raise money. It was very successful.

We entertained our mothers with a talent show Christmas; followed by a tea and social hour. The show consisted of solos, a Christmas story and poem, girls' chorus selections, and mirimba selections. Our mothers joined in with us and sang our club song.

February the eleventh the F. H. A. sponsored an informal all-school dance.

We have had a successful year in our F. H. A. work and hope to increase our enrollment next year. Our advisor was Mrs. Anderson.

The senior class selected "Young April" as the play they presented on April 29. It had a cast of sixteen characters.

"Young April" is a play about the experiences of the McIntyres and their two youngsters, Terry and George.

The young daughter has her beaux in rapid succession, almost marrying the "wrong one" until the kindly intervention of her Mother and Dad, together with the girl's own growing understanding, steers her over to the "right one."

The older brother who is in love with an ideal conception of the "sweetest girl in the world" discovers that she is only human after all. For a time he is completely disillusioned. And we see George growing up at last, and adjusting himself to some of the realities of life.

Throughout the play Mother and Dad now casually, now in great concern, discuss their youngster's problems. The play, inclined by frequent bits of humor, is a genuine study of "inter-reactions" of parent and youngster during the tender, romantic impulsive "Young April" age.

Future Farmers of America

OFFICERS—President, Gayle Bane; Advisor, Mr. Keyser; Vice-President, Bud Hudson; Secretary, Jack McNeilly; Treasurer, Eugene Roth; Reporter, James Kinsell.

First Row, Left to Right: Mr. Keyser, Advisor; Bob Hawthorne, Jim Kinsell, Eugene Roth, Jack McNeilly, Eldon Stauffer, Bud Hudson, and Gayle Bane.

Second Row, Left to Right: Phil Hawthorne, Lyle Anderson, Don Gibbens, Clifford Anderson, Gordon Hasty, Milford Gibbens, Bob Moore and Bob Davis.

Third Row, Left to Right: Earl Arnold, Bob List, Bob Johnson, Gerald Cozad, Ray Schertz, Bobby Bradd, Darwin Zachay, Davy Clark, Bill Coit, and Paul Huth.

The F. F. A. under the direction of Mr. Keyser has been very active this year. Last year we had a pest contest. Lyle Anderson won first place and Milford Gibbens came in second. The goal for this contest was 100 pests but this was not fulfilled.

The officers attended a Leadership Training Meeting early in the year at Colfax. The main topic was the duties of the officers, and how the members should be graded in Ag classes. It was decided that the grade should depend more on the project than the work in class. Two new members were elected to go with Mr. Keyser to a Father and Son Banquet at Colfax. They were Lyle Anderson and Ray Schertz.

Last year was our first year to attend a parliamentary procedure contest held among the chapters of Section 8. Bud Hudson was elected chairman to this contest, which will be at Bellflower. The Team will consist of Gayle Bane, Gordon Hasty, Robert Moore and Don Gibbens.

On February 7, 1948 we held a paper drive. The paper was stored in Schertz's garage and later Robert Roth took it to Bloomington for us and we netted \$41.95.

Around twelve members of the F. F. A. and Mr. Keyser plan to go on a fishing trip to Minnesota, and we are looking forward to it.

We have had a very successful year and we are looking forward to next year.

DISTRICT TOURNAMENT

In the district tournament we drew Loda for the first game. We had a very easy victory by defeating them 83 to 22.

The next game wasn't as easy because we had to take on a good team, Thawville. In the first quarter the score was 11 to 10. During the second quarter the boys rallied to make a half-time score of 25 to 18. After the first half we had pretty easy sliding.

We finally got to the finals of this tournament in which we would buck up against Buckley. In this game it was close all along although we were in the lead most of the time. At the end of the first quarter the score was 8 to 5, during the second quarter Buckley had a little rally in which they gained one point on our three point lead to make the score 17 to 15 at the half. During the third quarter we scored 17 points while they scored 14 to give us a five point lead. In the fourth quarter they out scored us by one point even though our boys did a good job of scoring. The boys stalled in the last two minutes to cinch the game.

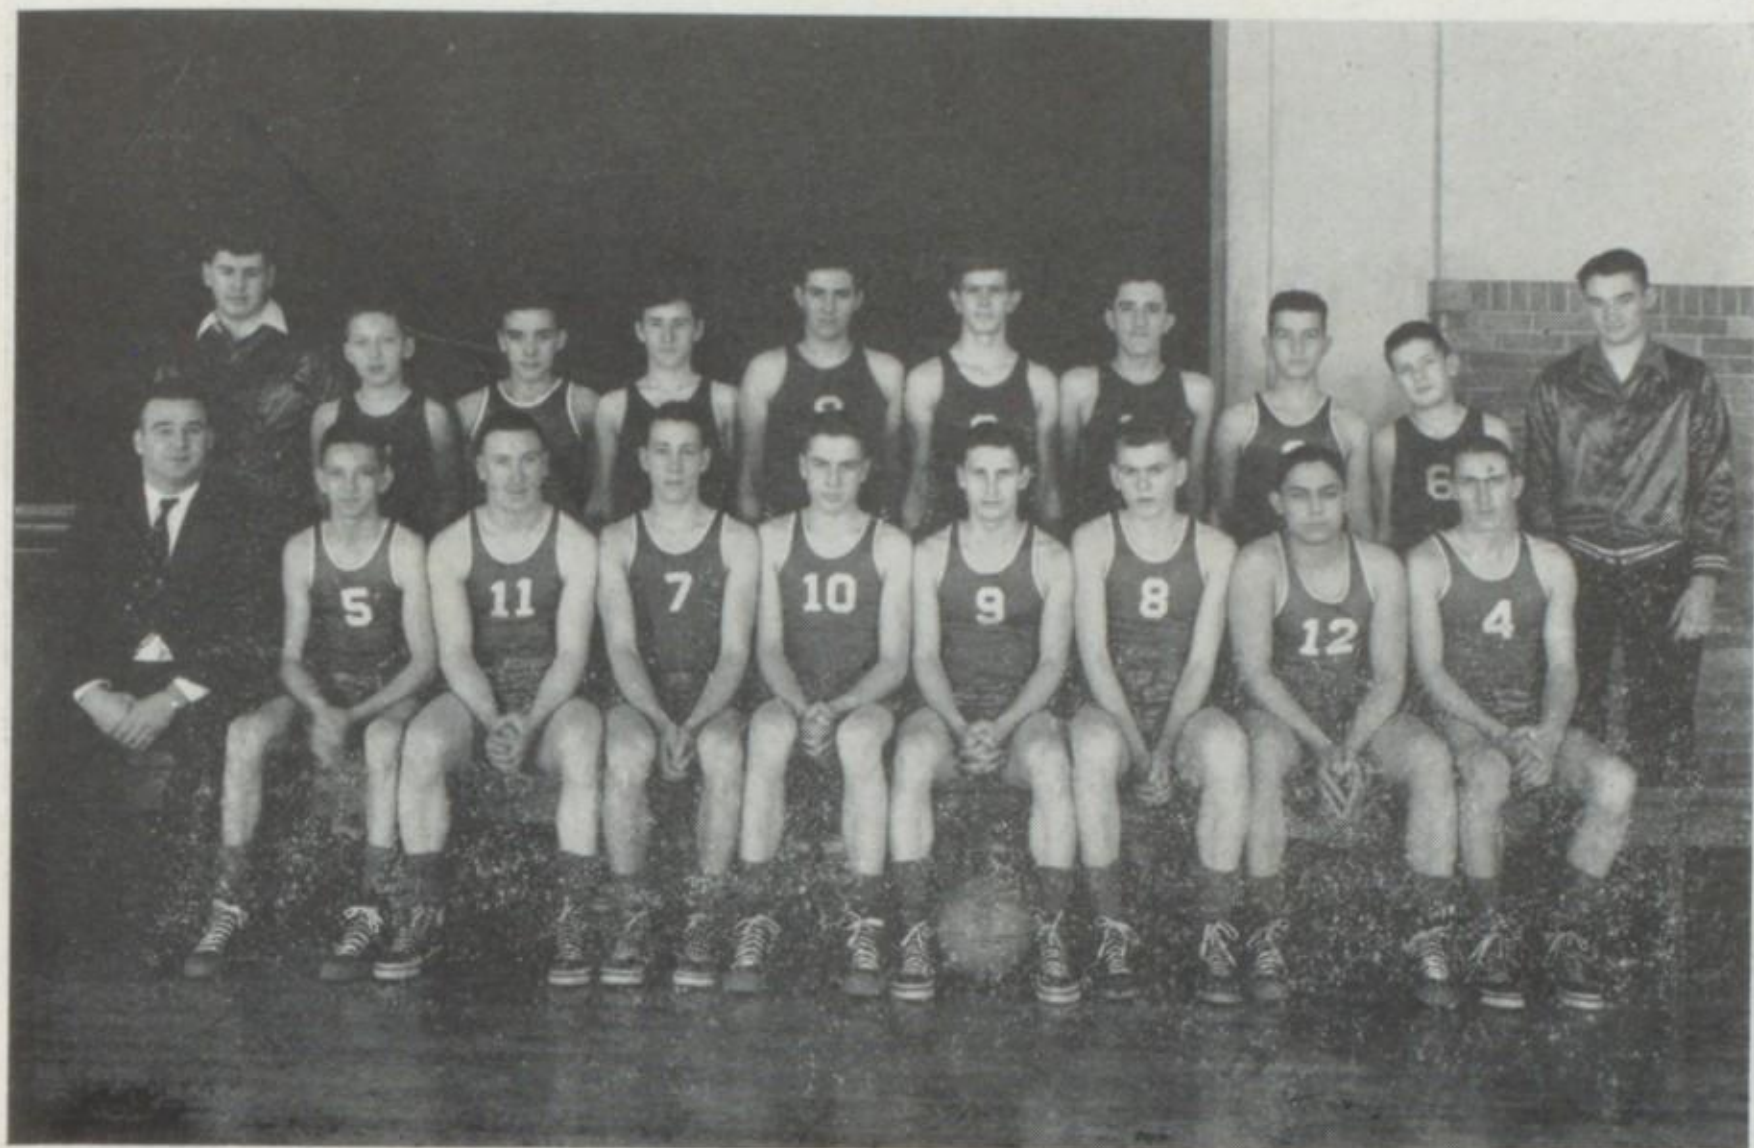

REGIONAL TOURNAMENT

In the first game of this tournament we had to play Rantoul which has a very good team. At the end of the first quarter Rantoul was ahead 12 to 10. During the second quarter we made a big rally by scoring 17 points to their 7 which made the half time score 27 to 19. In the third quarter Rantoul rallied to narrow the margin to 41 to 35. In the fourth quarter we rallied and so did Rantoul in which they out scored us 2 points but it didn't cut the margin enough for Rantoul to win. We won by a score 58 to 54.

We met Onarga High School in the second game of this tournament. We started out in the game with the regular enthusiasm in which we led Onarga 35 to 27 at the halftime. In the third quarter both teams scored 18 points. In the fourth quarter Onarga rallied by scoring 23 points to our 18 but that wasn't enough to over come our lead. We finally won 71 to 68.

In the final game of this tournament we met up against a very good team. At the end of the first half we were ahead 34 to 27. In the third quarter we scored 15 points to there 14 to give us an eight point lead at the end of the third quarter. In the fourth quarter they scored 19 points to our 9. When there were two minutes to play left Dick Evans fouled out and we lost a very good ball handler. When there was a minute left to play Onarga stole the ball and tied the score 58 to 58. They stole the ball again in the last half minute to get their lead. Then we soon took the ball out and went down the floor and Jim Kinsell fired a two handed push shot that hit the rim and Onarga Military got control of the ball and stalled the few seconds left. They won by the score of 60 to 58.

This year the basketball boys had a very successful year by taking second in the county, first in the tri-valley, first in the district, first in the Saybrook invitational, and second in the regional.

At the beginning of the year we started out just a little unlucky by getting beat by Heyworth after Jack McNeilly had his leg hurt in the second quarter and couldn't play any more.

We never had a close game after that until we met up with Fisher when they beat us 76 to 45. Fisher was hotter that night than they were the rest of the season.

When we had the invitational tournament at Saybrook there were three teams invited, they were: Anchor, Farmer City, and San Jose.

In the first game of that tournament we met San Jose and went off with an easy victory by defeating them 84 to 42.

In the final game of this tournament we played our old rival Anchor again for the second time. This time they gave us a tougher game than before although we beat them 47 to 41.

In the county tournament we drew McLean which we thought was a pretty good draw. We beat McLean 55 to 48 even though they did put up a good scrap. After this game we had to play Lexington which we took without much trouble at all, defeating them 34 to 19.

In the third game of the county we played Anchor for the third time this year. They put up an awful scrap but we defeated them 36 to 30.

We played Chenoa in the final game. The score was pretty close all along until the fourth period when Chenoa started to use a press defense and really poured it on. They defeated us 65 to 37.

Cheerleaders

Left to Right: Barbara Barber, Jean List, and Roberta Steed

Barbara, Jean and Roberta were very good and attractive cheerleaders. They were right with the team and to every game giving their best yells.

The cheerleaders looked very nice in our school colors, red and white. Many new and good yells were given this year that hadn't been given before. The girls gave their best yells at the various tournaments. The students co-operated with the cheerleaders very well and this was very much appreciated.

The baseball team had a very successful season this year by winning the Tri-Valley Championship and taking second place in the County playoff. The first game against Anchor was rained out. Saybrook was ahead at the time 4 to 3. In the second game of the season, Saybrook lost the only game of the Tri-Valley conference to Arrowsmith by the score of 6 to 1. Saybrook easily won the third game against Cropsey by the score of 26 to 3. The game against Ellsworth was another case of too much hitting power for Saybrook, the final score being 24 to 5. Saybrook beat Cooksville by the score of 11 to 2. This game was interesting due to the fact that Cooksville scored its two runs in the first half of the first inning but failed to score after that.

Bellflower was the next opponent and as usual it was a well played ball game. The first three innings were scoreless. Saybrook scored three runs in the fourth inning. Bellflower scored one in the fifth while Saybrook scored one in each of the sixth and seventh innings. The final score was Saybrook 5 to 1. The play-off of the Anchor game resulted in Saybrook winning 21 to 4.

The regular season of the Tri-Valley ended in a tie so we had to have a play-off game with Arrowsmith. Saybrook won by the score of 14 to 3.

In the County championship we met Danvers. The first inning was scoreless. In the second inning Saybrook scored 4 to 2 for Danvers. Neither team scored until the fourth inning when we scored one run but in the fifth they scored three runs to tie up the ball game. In the sixth they scored 3 runs and in the seventh we made but one run. Danvers won by the score of 8 to 6.

Boys' Physical Education

Seated Left to Right: Bobby Bradd, Ray Schertz, Bud Hudson, Bob Hawthorne, Bob Johnson, Bill Coit, Bob List, Donnie Martin.

Third Row: Floyd Fasking, Loren Sears, Gerald Cozad, Paul Huth, Bob Davis, Phil Hawthorne, Bob Moore, Lyle Anderson.

This year the boys' physical education class was under the direction of Mr. Short. During the fall the boys played softball and touch foot ball. During the winter months the program consisted of calisthenics, volley ball, basket ball and tumbling. The spring program had more softball and track activities.

The highlight of the winter program was the Intramural basketball tournament. The Seniors were crowned the champs. They defeated the Juniors by the score of 53 to 47 and the Sophomores and Freshmen by larger margins. The Juniors took second place but were pushed to the limit by the Sophomores. The final score of the Sophomore-Junior game was 39 to 38. Sophomores placed third while the Freshmen finished in last place.

Humor

Miss Harper: "Name two pronouns," Lyle?
Lyle: "Who, me?"

Mr. Keyser: "What kind of rock is this"?
Bobby Brad: Oh! "I just take it for granite."

Miss McCorkle: "What can you tell me about nitrates?"
Barbara Barber: Well-er—they're a lot cheaper than the day rates.

Miss McCorkle: "What does HNO_3 signify?"
Dick Evans: "Well, er'r I've got it right on the tip of my tongue."
Miss McCorkle: "Well, you had better spit it out, it is nitric acid."

Gerald Cozad: "But I don't think I deserve an absolute zero."
Mr. Short: "Neither do I but that is the lowest mark that I am allowed to give you."

Miss McCorkle: "This makes the fifth time I have punished you this week."
"What have you to say?"
Willard Tipsord: "I am glad it's Friday," Mam.

Mr. Anderson: "Students, I am dismissing you ten minutes early today." "Please go out quietly so as not to waken the other classes."

"Jack," Bud asked, "Is this dance formal, or can I wear my own clothes?"

The more we study, the more we know.
The more we know, the more we forget
The more we forget, the less we know
The less we know, the less we forget.
The less we forget, the more we know.
So why cram?
